LADIE'S NIGHT RECAP

An absolutely inspiring evening!

*“Emotional” “Rooted in Torah”
“Engaging” “Fun”*

Just some of the words used to describe Tuesday night's event attended by about 20 women.

Women from all over the Valleys of Thornhill and beyond joined together to share life experiences, learn, and laugh together. A wonderful evening that successfully engaged many young families and introduced them to The Country Shul!

A special thank you to all the Women of the community who came together to organize the event and to all those who attended!
